Total prize: 50000. 3-Y-O Rating BM64 No sex restriction Handicap

Tips: 3 1 7 5 DIASONIC Was a Cranbourne maiden winner on debut and was less than a length from the winner in the Group II Sandown Guineas in three first preparation runs. Resumes and has the form on the board if ready to go. RING OF HONOUR Won his first two starts this preparation at Geelong and Pakenham and arguably found 1600m a touch too far at Caulfield last start. He's right in play back to midweek grade over the shorter journey. SELICA Was a Moe winner in two first preparations runs. Resumes on the back of a Cranbourne trial and would only have to be close to right to be in the finish. WESTERN SUN Hasn't missed a place in four runs to date and has a Pakenham maiden win on his resume. Finished runner-up at Pakenham resuming last start and shouldn't be underestimated in town.

Tips: 5 1 4 2 WRITE ENUFF Resumes without an official trial but was placed all three runs last time in and would only need to be close to right to be the one to beat. SEATONIC Resumes without a trial but did finish runner up in the Gold Strike at Warrnambool resuming last preparation and a repeat of that run here would see her in the finish. TAH-LAYLA Has been freshened up since finishing down the track at Geelong last start and is a likely improver. DU WELL Made it three wins from 11 starts overcoming a wide run in transit to win at Pakenham last start. All three career wins have come at 1000m and goes in everything racing over her favourite journey.

Tips: 4 1 7 2 SEBERATE Has just two wins from 24 starts but placings last two at Murray Bridge and Morphettville suggest another win is close and he's the top rater in an open race. GRAND CROWN Has won two of last four and is chasing back to back victories after leading all the way to win by three lengths at Sale last start. Likely to adopt similar tactics here and will take plenty of running down. PETRUCHIO Hit the line strongly to win over a mile at Pakenham last start and it's hard to find a reason to suggest he won't be competitive here. MORTAR PLATOON Has been placed two of last three and has bright place prospects again.

Tips: 1 6 4 2 THE MOBOT has won four from five to date with her only defeat coming when tested at Group III level during the Spring Carnival. No trial to guide us resuming but has the form on the board if ready to go. HORTENSE Broke through for a maiden win at Stony Creek last start winning by over four-lengths at her third career start. Still has plenty of scope for improvement and looks right up to a race in town. PARS Was held early in the straight when down the track at Moonee Valley resuming last start. Was placed but only run this track and distance so is capable of improving sharply here. MODEAR Won successive races at Echuca and Flemington before placing over 1200m at Moonee Valley last start.
